

## **THE ROLES & GOALS OF BEAUTIFICATION COMMITTEE:**

The Committee is appointed and funded by the BOD to manage, maintain, and improve the beauty and landscape of the Lee Plantation Community.

### **Beautification Committee Roles**

- **Committee Chair**—leads the team to achieve the goals of the committee
- **BOD Liaison**—assigned to represent the BOD's initiatives and regulations. That person also carries requests and suggestions back to the BOD for consideration.
- **Secretary**—creates agendas, takes minutes, post both on the appropriate Clubhouse bulletin board and sends to appropriate webmaster to be published on LP Website.
- All residents & renters who wish to participate. All are welcome!

### **Beautification Committee Goals**

- Identify areas in Lee Plantation that need improvement or attention.
- Plan and submit a yearly budget that is workable for the community. Budget request submissions are centered around items such as replacement plants, mulch, fertilizer, small tools/equipment, and any items needed for an upcoming improvement project.
- Power washing of the clubhouse grounds is a 365 day responsibility which Beautification oversees. This includes the preventative maintenance & cleaning of the following: clubhouse building, outside attached structures, pool deck and all outside furniture at the pool and clubhouse deck area.
- Create a plan that continues to improve and beautify our common grounds.
- Recognize the importance of providing nature areas for small animals and pollinators. Protecting nature is crucial to our environment.
- Understand the importance of research and identify plants and trees that fit the planting zone where we live.
- Strive to be a positive resource in our community by providing information to home owners that will improve their individual landscape and add value to their property and the community.
- Hold a Christmas Extravaganza event. This occurs on the 22nd of every December. This is our way of celebrating our gardens with luminaries, Christmas decorations a parade, and of course Santa.
- Support is all clubs, committees, the Lee Plantation board and our neighbors.

### **Please join us for a meeting and support our ongoing efforts. All are welcome!!**

- Many residents participate by donating funds for purchase of items such as benches, trees, plants, and for big project needs.
- All residents of Lee Plantation are invited and encouraged to attend monthly meetings and participate as they are able.
- Meeting dates and times are posted on the monthly Newsletter calendar.
- Meeting minutes are posted on the bulletin board in the back hallway of the Clubhouse as well as posted on our LP Website.
- The committee strives to make their efforts transparent to all by posting pictures, etc. on Facebook, visual aid boards and scrap books in the Clubhouse.
- Ideas and suggestions for projects or improvements are always welcome.

Also, please note, BC does an outing each year to a nature center to celebrate the year as a team.
